2010 Muzzleloader Matches!

Muzzleloader matches will be held on the first Wednesday of each month starting in April. The dates are April 7th, May 5th, June 2nd, July 7th, August 4th, September 1st, and October 6th. Start time is 4:30 P. M. at the pistol range. Chapter membership is not required.

You may shoot multiple relays in any combination of the following categories

- 50 feet: pistols or revolvers, "iron" sights only, single-handed hold.
- 25 yards: percussion, flintlock, or in-line rifles, "iron" sights only. Handguns with a two-handed hold are allowed in this category.
- 50 yards: same equipment as used at 25 yards except any type of sights are allowed. This most likely would be an in-line muzzleloader fitted with a scope, red dot, etc.

All relays will be 10 shots in 40 minutes, unsupported, slings allowed, using NRA B-2 Slow Fire pistol targets at 50 feet and 25 yards; and NRA B-3 Timed and Rapid Fire Pistol targets at 50 yards. 775 caliber (10 gauge) maximum. If a person shoots multiple relays in a category in one match, the best score will be kept.

"Sighter" shots are permitted and you are allowed to hang two targets for each category; a marked "sighter" target (a target with a diagonal slash through it) and an unmarked "score" target. Each shooter may first shoot as many shots on the "sighter" target as they wish, followed by 10 shots on the "score" target. All shots must be finished in the 40-minute time period. "Sighter" shots may be supported. It is the shooter's responsibility to notify the range officer when switching from the "sighter" target to the "score" target.

Cost is \$2.00 per relay for targets, awards, etc. You must shoot in a minimum of three matches in a category to qualify for an end-of-season award and for awards to be given there must be at least two qualifying shooters in that category. Averages will be kept to three decimal places. Match results will be published.

If you have questions, contact Bud Corazza at corazza@verizon.net or at 301-253-0843. E-mail is preferred.
